

Pop-up Review.

Our Bathgate Pop-up at
Reconnect Regal Theatre,
24-34 North Bridge Street,
Bathgate, EH48 4PS is closing
on 10 July 2025.

Why is the Pop-up closing?

The way customers bank with us is changing. Over 95% of transactions are now being made using mobile, online and other ways to bank, or at locations with a Money Confidence Expert. And more customers than ever are using our Video and Telephone Banking service. We remain committed to face-to-face services across the country, and over 90% of our customers are within a 20 minute drive to a branch, or location of a Money Confidence Expert. But we want our services to reflect the current and future needs of our customers and keep open locations that are used the most, so sometimes this means that we have to close some locations. This is how our customers are choosing to bank with us:

Over 2.5 million of our customers use mobile, online and telephone banking.

81% of our customers use another TSB location or channel.

Over 760,000 of our customers use TSB cash and self-serve deposit machines.

Over 300,000 of our customers use a Post Office.

We're here to support customers through these changes. So while we are closing this Pop-up, you'll always be able to chat with us face-to-face at branches, Pods, Pop-ups, Banking hubs or through Video or Telephone Banking.

We are relocating to a Banking Hub.

We're pleased to let you know that we're moving to a new Banking Hub that is opening in this area before the Pop-up closes which will have a Post Office counter to allow access to cash services. A Money Confidence Expert will be available one day a week and will be able to help you with most of your banking needs, including:

- Help with mobile and internet banking.
- Support with managing your money.
- Help with general product enquiries.
- Managing finances if you've suffered a bereavement.

We will publish more information before the Pop-up closes, including the new banking hub address, opening times and when our Money Confidence Expert will be available, please visit tsb.co.uk/bankinghubs

How we made our closure decision.

We always look carefully at the impact a closure may have on the community. Before we make a decision we consider:

- How customers use the Pop-up now.
- The current services available in the Pop-up.
- Other ways our customers choose to bank with us.
- Local banking alternatives such as Video and Telephone banking services.
- How customers' use of the Pop-up has changed over time.
- The impact on customers who may need extra support.

In our Bathgate Pop-up, here's what we found.

How customers affected by the closure are banking with us.

Percentage of our customers who also use another TSB branch or channel.

For personal banking customers:

78%
also use mobile, online or telephone banking

Age of our Pop-up customers.

Feedback from the local community is important to us.

It's important to us that we engage with the community about the impact any Pop-up closure may have. So, as well as getting in touch with customers, we'll be talking through the changes with members of the local community. We'll publish details of any feedback we've received in our Community Engagement summary six weeks before the Pop-up closure.

If you are a member of the local community and would like to contact us about these changes, you can use the Adobe feedback form to log your details at tsb.co.uk/our-branches and someone will be in touch with you. If you are a personal banking customer you can also call us on **03459 758 758**, or if you're a business banking customer call us on **0345 835 3858**.

Who we will contact about the closure.

- The office of the local MP/MSP.
- Local Citizens Advice Bureau.
- Post Office.
- The councillors for the ward:
- The Chief Executive of the local council.
- The leader of the local council.

To find the closest PayPoint visit link.co.uk/cash-locator

Supporting access to cash.

As part of the requirements for the Access to Cash legislation, all banks are responsible for maintaining access to cash across the UK. LINK will be working with banks and local communities to assess whether there are any access to cash gaps across the UK, to make sure customers have convenient access to vital cash services when they need it.

We work with LINK to carry out assessments of locations to check if they need better access to cash services. These reviews will be published and available on the LINK website.

For information on where you can access cash services visit link.co.uk/cash-locator

If you're concerned there may be an access to cash gap in your area or you'd like to find out how your community can have better access to cash, you can request an access to cash assessment at link.co.uk/helping-you-access-cash/request-access-to-cash

To check if LINK have already made an assessment for access to cash in a particular area, and made a recommendation for improvement visit link.co.uk/our-assessments

Support before the Pop-up closes.

We'll write to you before the Pop-up closes to remind you of what's happening. Our colleagues are here to support you until the Pop-up closes and can also help you register for digital banking.

For more information on how we can support you, speak to us in branch, and our Handy Guide covers all the ways you can bank with us. You can read our Handy Guide and more details about the closure at tsb.co.uk/our-branches

If we can't find you an alternative that meets your needs, we will help you switch to an alternative banking provider.

Support for vulnerable customers.

There are many reasons you may need us to work with you differently, either now or in the future. You may need extra support with your wellbeing, a life event, or because you find yourself in a vulnerable situation. If you're not able to travel to a TSB location, and you'd like more support with your banking, or you'd like to chat to us about these changes, you can:
