Your Fixed Rate Cash ISA product conditions

Which other terms and conditions apply?	There are other terms and conditions that cover your Fixed Rate Cash ISA (FRISA). These are set out in the Savings Account General Conditions. You also have TSB Cash ISA conditions which cover all TSB ISAs (except the Junior Cash ISA).	
Term	The account term will be the fixed period you apply for when opening the account, for example 1 or 2 years. The term will start on the date we open your account. The letter we give you when you open your account will tell you what the term of your account is.	
Paying money into the Fixed Rate Cash ISA account	Your first payment into your account must be a minimum of £1. The maximum you can pay into your account is up to the yearly ISA allowance. You must pay all money into your account within 30 days of opening, including any ISA transfers. The first day starts on the date we open your account. After 30 days, you can't pay any more money into your account.	
Can you pay an additional permitted subscription into your account?	Yes, but you can only pay in an additional permitted subscription into your account if you do this within 30 days after opening your account. An additional permitted subscription is where you have a husband, wife or civil partner who dies, and they had an ISA. You can pay in the amount of money that they had in an ISA into an ISA in your name.	
What charges will you pay if you take money out of your account (including if you transfer to another ISA provider)?	If you take money out of your account more than 14 days after opening the account, you'll pay a charge. This includes transfers to another ISA with us or another provider. The charge depends on the term of your account.	
	Term	Withdrawal Charge
	1 year	Equivalent to 90 days interest on the amount taken out or transferred
	18 Month	Equivalent to 135 days interest on the amount taken out or transferred
	2 years	Equivalent to 180 days interest on the amount taken out or transferred
	3 years	Equivalent to 270 days interest on the amount taken out or transferred
	4 years	Equivalent to 320 days interest on the amount taken out or transferred
	5 years	Equivalent to 365 days interest on the amount taken out or transferred
For example: if you had an account with a 2 year term and took out £2,000, the charge would be the amount of interest you'd earn on the £2,000 for 180 days. We'll take the charge from the balance in your account before you take out the money. You may get back less money than you originally paid into your account.		

Your Fixed Rate Cash ISA product conditions

Can you replace any money you take out of your account?	<p>You can only replace any money that you take out of your account if you do any of the below things:</p> <ul style="list-style-type: none">• you replace it within 30 days after you open your account• you replace the money in a different account in your TSB Cash ISA that is already open• you open a new FRISA account. <p>If you take any money out of your account, you'll pay a charge, as set out in the table overleaf.</p> <p>You can't replace any money that we've taken from your account as a charge.</p> <p>There is more information about replacing money in your account in the TSB Cash ISA terms and conditions.</p>
Transferring your FRISA to another provider	<p>You can transfer your account to another provider before the end of the term. But, if you do this, you'll pay a charge, as set out in the table above.</p>
Interest	<p>The interest rate is fixed for the term of your account. This means that the interest rate won't change during the term.</p> <p>Interest is calculated each day. Interest is paid yearly on the anniversary of opening your account and at maturity for terms of whole years (e.g. 2 or 3 years) and paid monthly and at maturity for part year terms (e.g. 18 months).</p> <p>Interest is paid to the account you nominate at opening.</p>
What happens at the end of your fixed term period?	<p>At least 30 days before the end of the term we'll contact you about what you'd like to do with the money in your account. We may also send you information about other accounts we offer to help you make your decision.</p> <p>If you don't tell us what you want to do with your account before the end of the term, we'll change your account into a Cash ISA Saver (or similar account in our TSB Cash ISA range). We'll do this on the last day of the term.</p> <p>Your sort code and account number won't change, and the Cash ISA Saver conditions in force at the time will apply.</p>

Information correct as at 21 March 2021.

Rates can change at any time and you should check the current interest rate before applying for the account.

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. Gross rate is the contractual rate of interest payable before the deduction of income tax. Tax free is the contractual rate of interest payable where interest is exempt from income tax. Tax treatment depends on your individual circumstances and may change.
